Unit A Contract Update

After much back and forth and meticulous merging of our new agreement for 2019-2022, our one year agreement from 2018-2019, multiple MOAs, and our evaluation tools, we finally have a final copy of the contract. It is our hope that School Committee will sign a final copy this week, which means we will be able to send it off to the printer and have a quick turnaround. As soon as we get paper copies of the contract, we will distribute in buildings. A digital copy will be posted on the CTA [webpage](#).

CTA Elections

CTA elections will take place this May. The offices of President, Secretary, and Membership Chair are up for re-election. We also have our yearly elections for Executive Council in each building. Are you interested in learning more about a position or shadowing a current officer? Please email [Justin](#) for more information and know that you are always welcome at Executive Council meetings!
